

Town of Chichester Annual Report

Carpenter Park Pavilion

For the year ending 12/31/2001

THE NEW PAVILION

The photograph chosen by the Selectmen for the cover of this years Town Report presents a view of the new pavilion constructed at Carpenter Park last summer. The pavilion was completed just two days before Old Home Day (August 18th, 2001) and as seen in the photograph it was put right into good use by providing the comforts of seating at new tables and shade for many of the people attending the festivities of Old Home Day.

The planning for a pavilion at Carpenter Park was initiated in discussions of the newly formed Parks and Recreation Commission last March but became a reality when family and friends of Pauline Cote-Losey approached the Town wishing to donate a substantial amount of money to do something special in remembrance of Pauline who had recently passed away. Pauline had lived in Chichester for a number of years and had been an active member of the community by serving on the Planning Board and as a Town Trustee. Pauline also had a strong interest in helping children and had been active in a regional Big Brother/Big Sister mentoring program.

The building of the pavilion in memorial to Pauline Cote-Losey seemed a perfect match and through the generous financial contributions of Pauline's family and friends the construction of the pavilion became a reality. Prior to the actual construction of the pavilion its location was carefully planned so that it would be placed partially in the old pine grove area and conveniently close to, but not to infringe upon, the historical stoned-lined bean hole. Tepper Construction was chosen to build the pavilion (they promised to have it completed for Old Home Day) and as can be seen in the Town Report's cover photograph people attending Old Home Day are enjoying the Marden's famous baked beans and the almost equally famous Twomey roasted pig while gathered under the pavilion.

Like the people pictured enjoying the "comforts" of the new pavilion and the newly landscaped grounds adjacent to the parking area, it is hoped that the new park facilities will continue to be used throughout each recreational year by local groups, organizations, families, and individuals for everything from just visiting the Park to having cookouts, social gatherings, school outings, organization meetings, etc. The Parks and Recreation Commission invites everyone to stop by the Park to see the new pavilion and the other improvements to our Town's recreational facilities.

Richard DeBold, Chairman
Parks and Recreation Commission

AND VITAL STATISTICS

of the

SELECTMEN AND OTHER OFFICERS

of the

TOWN OF

CHICHESTER, NEW HAMPSHIRE

for the year ending

DECEMBER 31, 2001

Lloyd Ricker began working on our Town reports as an employee of the Country Road Press in 1976. The business sold in 1990 and Lloyd started Chichester Graphics around 1992. Although the bid for the Town Report was awarded to other entities once or twice, Chichester Graphics has been the primary printer of the Town Report and other printing projects for the Town. Lloyd has always been accommodating, making many trips to our office to pick up or drop off changes. We have been spoiled by his attentive nature.

After twenty-five years as a dedicated vendor to the Town, Lloyd retired from business due to a serious illness.

With great appreciation, we thank you, Lloyd and wish you well.

All of your friends at the Chichester Town Office.

SELECTMEN'S COMMENTS

After many years of being an unknown community in the eyes of the Postal service, our zip code, 03258, was returned to us thanks to the diligent efforts of Barbara Frangione.

Fred Fenton resigned as Selectman after first being elected eleven years ago. Good luck to Fred in his endeavors. Dennis Call agreed to fill the remainder of Fred's term. Thank you, Dennis.

Ann Emerson retired as Police Chief after twelve years of service. Chief Emerson is credited with making the department what it is today. Many thanks to her for her contribution to the police department.

The first Volunteer Appreciation Dinner was held at the Del-Lea Country Club. The dinner was given to thank those who served the Town without compensation or reimbursement. Awards for service were given to all volunteers serving one to thirty-nine years. Walter Sanborn received special recognition for beginning service 39 years ago. Theodore Bailey received special recognition for beginning service 32 years ago. Shirley Marden did not attend but was recognized for beginning service 37 years ago. Lucille Noel began 29 years ago and Joanna McIntosh began 27 years ago. Thank you to all the volunteers. We couldn't operate without you.

2001 Town Meeting Minutes Chichester

The polls were declared open to vote at 10:00AM on March 13, 2001. Moderator, Douglas Hall presided over the meeting. Pastor John Loker of the Methodist Church offered prayer. The polls closed at 7:00PM. The meeting was continued to the deliberative session scheduled for Saturday March 17, 2001 at 10:00AM.

1: To choose all necessary Town Officers for the ensuing year. (Ballot). The following officers were elected:

Selectmen:	Jeffrey Jordan
Tax Collector:	Evelyn Pike
Town Clerk:	Evelyn Pike
Library Trustee: 3 yrs.	Carolee Davison
Budget Committee: 3 yrs.	Stephen MacCleery
	John Martell
Budget Committee: 1yr.	Richard DeBold
Treasurer:	Phyllis Ricker
Trustee of Trust Funds: 3yrs.	Andrea Deachman
Trustee of Trust Funds: 2yrs.	Fuat Ari
Cemetery Trustee: 3yrs.	M. Joanna McIntosh
Cemetery Trustee: 2yrs.	Gilbert Vien

The meeting reconvened at 10:AM by Asst Moderator John West on March 17, 2001. Asst. Moderator presented the rules of the meeting and all agreed. A motion was made and seconded to allow nonresidents to speak. Moderator Douglas Hall also presided over meeting.

2: To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations of the same (Budget). Amended to increase line 4150-4151 in the sum of \$1,500.00. AMENDED ARTICLE PASSED. Amended to increase line 4312 to \$40,000. AMENDED ARTICLE PASSED. The budget was approved at \$952,496. ARTICLE PASSED.

3: To see if the Town will vote to raise and appropriate the sum of \$5,000.00 (Five thousand dollars) to purchase a photocopier and to authorize the Selectmen to withdraw \$5,000.00 (Five thousand dollars) from the Office Equipment Capital Reserve Fund for this purpose. Recommended by the selectmen. Recommended by the budget committee. ARTICLE PASSED.

4. To see if the Town will vote to raise and appropriate the Sum of \$69,300.00 (Sixty-nine thousand three hundred dollars) to reappraise the Town and to withdraw \$69,300.00 (Sixty-nine thousand dollars) from the Town Reappraisal Capital Reserve Fund for this purpose. Not recommended by the selectmen. Not recommended by the budget committee. ARTICLE DEFEATED.

5. To see if the Town will vote to raise and appropriate \$2,500.00 (Two thousand five hundred dollars) for the purpose of roadside cleanup along Town roads, these funds to be paid to the eighth grade class of Chichester Central School for organizing and conducting the cleanup. By petition. Recommended by the Selectmen. Recommended by the budget committee. ARTICLE PASSED.

6. To see if the Town will vote to raise and appropriate \$115,500.00 (One hundred fifteen thousand five hundred dollars) to be added to the following capital reserve funds to authorize the use/transfer of \$55,000.00 (Fifty-five thousand dollars) of the December 31, 2000 unreserved-undesignated fund balance for this purpose and \$60,500.00 (Sixty-thousand five hundred dollars) to be raised in taxes. (Majority vote required). Recommended by the selectmen. Recommended by the budget committee.

Police Cruiser	\$10,000	Town Facilities	\$5,000
Office Equip.	\$15,000	Library	\$2,000
Town Bridges	\$5,000	Rescue Truck	\$5,000
Town Roads	\$25,000	Fire Station	\$2,000
Town Reappraisal	\$25,000		
Fire Truck	\$7,500	Septic Disposal	\$ 00
Highway Heavy Equipment			\$10,000
Police Office Equipment			\$2,000
Forestry Vehicle			\$2,000

Amended to remove \$25,000.00 (Twenty-five thousand dollars) for town Reappraisal. AMENDED ARTICLE PASSED. Explanation, to raise and appropriate \$90,500.00 (Ninety thousand five hundred dollars) \$55,000.00 (Fifty-five thousand dollars) unreserved/undesignated and \$35,500.00 (Thirty-five thousand dollars five hundred dollars) to be raised by taxes. AMENDED ARTICLE PASSED.

7. -To see if the Town will vote to establish a Cemetery Capital Reserve Fund and to raise and appropriate the sum of \$2,000.00 (Two-thousand dollars) to be placed in said fund to designate the Selectmen as agents of the Town for said Capital Reserve Fund. Recommended by the selectmen. Recommended by the budget committee. ARTICLE PASSED.
8. Are you in favor of changing the term of tax collector from one year to three years, beginning with the term to be elected at next year's regular Town Meeting? Ballot vote required. Recommended by the selectmen. Recommended by the budget committee. ARTICLE PASSED. 81 yes, 7 no, and 1 invalid.
9. Are you in favor or changing the term of the town clerk from one year to three years, beginning with the term to be elected at next year's regular Town Meeting? Ballot vote required. Recommended by the selectmen. Recommended by the budget committee. ARTICLE PASSED. Yes 77, No 7.
10. To see if the Town would support legislation to allow video gambling, for the purpose of raising revenue to meet the state's obligation to fund education under the New Hampshire Supreme Court's Claremont Decision, at the Mount Washington Hotel in Bretton Woods, the Balsams Hotel in Dixville Notch, Rockingham Park in Salem, Hinsdale Greyhound Park in Hinsdale, Lakes Region Greyhound Park in Belmont and Seabrook Greyhound Park in Seabrook. ARTICLE DEFEATED. 64 NO, 7 YES
11. To see if the Town will vote to establish a Parks and Recreation Capital Reserve Fund and to raise and appropriate \$35,950.00 (Thirty-five thousand nine hundred fifty dollars) to be placed in said fund and to authorize the use/transfer of the December 31, 2000 unreserved-

undesignated fund balance for this purpose. The amount reflects a portion of monies deposited in the General Fund from fees from the Marden Farm Development as agreed to at a public hearing on July 7, 1988, and from the monies donated to the Town by the Malachy Glen Development for recreational use within the community. The Board of Selectmen to be named as agents for the fund and will authorize the approval and allocation of the said funds to deserving projects as recommended by the Parks and Recreation Committee. And to authorize the selectmen to disperse \$16,000 (Sixteen thousand dollars) from said fund to the school as their portion of the funds received from the Marden Farm Development. Recommended by the selectmen. Recommended by the budget committee. Amended to see if the Town will vote to establish a Parks and Recreation Commission and to pass article as written. AMENDED ARTICLE PASSED. ARTICLE PASSED.

12. To see if the Town will vote to raise and appropriate the sum not to exceed \$5,000.00 (Five thousand dollars) and to withdraw the sum from the Parks and Recreation Capital Reserve Fund to carry out certain improvements to Carpenter Park. These improvements will include the completion of two baseball field dugouts, minor site improvement work adjacent to the parking lot to include some tree removal (approved by the Conservation Commission), installation of a playground set purchased by the Chichester Athletic Committee, conducting a plan and contour survey for future planning purposes, and installing a new Carpenter Memorial Park sign. Recommended by the selectmen. Recommended by the budget committee. ARTICLE PASSED.
13. Shall we modify the exemption for the totally and permanently disabled? The exemption, based on assessed value, for qualified taxpayers shall be \$55,000 (Fifty-five thousand dollars). To qualify, the person must have been a New Hampshire resident for at least 5 years and own and occupy the real estate for at least five years. In addition, the taxpayer must have a net income of not more than \$15,000.00 (Fifteen thousand dollars) or if married, a combined net income of not more than \$25,000.00 (Twenty-five thousand dollars); and own net assets not in excess of \$100,000.00 (One hundred thousand dollars) excluding the value of the person's residence. Recommended by the selectmen. Recommended by the budget committee. Ballot vote required. ARTICLE PASSED OVER.
14. To see if the Town will vote to raise and appropriate the sum of \$60,000.00 (Sixty thousand dollars) to finish the highway garage. \$19,000.00 (Nineteen thousand dollars) to be taken from the Town Facilities Capital Reserve for this purpose and \$41,000.00 (Forty-one thousand dollars) to be raised in taxes. Not recommended by selectmen. Not recommended by the budget committee. ARTICLE PASSED.
15. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 (Fifteen thousand dollars) to purchase a chipper for the highway department. \$15,000.00 (Fifteen thousand dollars) to be taken from the Highway Heavy Equipment Capital Reserve Fund for this purpose. Recommended by the selectmen. Not recommended by the budget committee. ARTICLE PASSED.
16. To see if the Town will vote to raise and appropriate the sum not to exceed \$20,000.00 (Twenty thousand dollars) to erect a 26x24 two bay garage for the Police Department. This

money to include building and groundwork. Not recommended by the selectmen. Not recommended by the budget committee. ARTICLE PASSED.

17. To transact any other business that may legally come before said meeting.

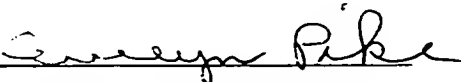

1. Citizen of the year plaque was awarded to Judy Kenneally by the Chichester Grange.
2. Senate Resolution given to Zhara Mahlsteadt.
3. Plaque given to Rebecca Herbert for 38 years as
Town Treasurer.

Meeting adjourned at 2:05PM.

Respectfully submitted

Evelyn Pike

Town Clerk

A True Attest Copy: 

Evelyn Pike, Town Clerk Chichester

THE STATE OF NEW HAMPSHIRE
THE POLLS WILL BE OPEN FROM 10: AM TO 7:00 PM

TOWN OF CHICHESTER
COUNTY OF MERRIMACK
2002
WARRANT

To the inhabitants of the Town of Chichester in the County of Merrimack in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Grange Hall in said Chichester on Tuesday, the 12th day of March, 2002 next at 10 o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing. (Ballot)

Article 2 through 17 will be considered at the second session of the Annual Town Meeting on Saturday, March 16, 2002, beginning at 10 o'clock in the forenoon at the Grange Hall.

2. To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations of the same. (Budget)
3. To see if the Town will vote to raise and appropriate the sum not to exceed \$2,500.00 (Two-thousand five hundred dollars) to construct a Town office sign at the Grange Hall. Recommended by the Selectmen.
4. To see if the Town will vote to raise and appropriate the sum not to exceed \$92,500 (Ninety-two thousand Five Hundred dollars) to be added to the following Capital Reserve Funds and to authorize the use/transfer of \$92,500 (Ninety-two thousand Five Hundred dollars) from the December 31, 2001 unreserved-undesignated fund balance for this purpose. (Majority vote required) Recommended by the Selectmen. Recommended by the Budget Committee.

Town Reappraisal	\$30,000	Town Facilities	\$20,000
Police Cruiser		Library	
Office Equipment		Rescue Truck	
Town Bridges	\$23,000	Fire Station	
Town Roads	\$10,000	Septic Station	
Fire Truck		Conservation	
Highway Heavy Equipment		Forestry Equipment	\$ 2,000
Police Office Equipment	\$ 5,000	Recreation	\$ 2,500
Cemetery		Forest Maintenance	

5. To see if the Town will vote to authorize the Selectmen to appoint a road agent. Recommended by the Selectmen.
6. Shall we modify the optional adjusted elderly exemption from property tax? The optional exemptions, based on assessed value, for qualified tax payers shall be as follows: for a person 65 years of age up to 75 years, \$20,000; for a person 75 years of age up to 80 years, \$27,000; for a person 80 years of age or older, \$35,000. To qualify, the person must have been a New Hampshire resident for at least five years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least five years. In addition, the tax payer must have a net income of less than \$25,000 or, if married, a combined net income of less than \$35,000 including Social Security; and own assets not in excess of \$100,000 excluding the value of the person's residence. Recommended by the Selectmen.
Ballot vote required.

7. Shall we modify the exemption for the totally and permanently disabled? The exemption based on assessed value, for qualified taxpayers shall be \$55,000.00. To qualify, the person must have been a New Hampshire resident for at least five years and own and occupy the real estate individually or jointly, or if the real estate is owned by a spouse they must have been married for at least five years. In addition, the tax payer must have a net income of not more than \$25,000.00 or if married a combined net income of not more than \$35,000 and owned net assets not in excess of \$100,000 excluding the value of the person's residence. Recommended by the Selectmen. **Ballot vote required.**
8. To see if the Town will vote to raise and appropriate sum not to exceed \$96,000.00 (Ninety-six thousand dollars) to reappraise the Town and to withdraw \$96,000.00 (Ninety-six thousand dollars) from the Town Reappraisal Capital Reserve for this purpose. Recommended by the Selectmen. Recommended by the Budget Committee.
9. To see if the Town will vote to establish the Town Mapping Capital Reserve Fund and to raise and appropriate the sum not to exceed \$5,000 (Five thousand dollars) to be placed in this fund. Recommended by the Selectmen. Recommended by the Budget Committee.
10. To see if the Town will vote to raise and appropriate the sum not to exceed \$7800 (Seven thousand eight hundred dollars) and to authorize the selectmen to withdraw the funds from the Police Cruiser Capital Reserve Fund to make the final payment for the 2000 police cruiser 3-year lease. Recommended by the Selectmen. Recommended by the Budget Committee.
11. To see if the Town will vote to raise and appropriate the sum not to exceed \$10,500 (Ten thousand five hundred dollars) and authorize the selectmen to enter a three-year lease purchase agreement for the purpose of acquiring and outfitting a 2002 police cruiser for the police department, and to take the 1998 cruiser out of patrol service. Recommended by the Selectmen.. Recommended by the Budget Committee.
12. To see if the Town will vote to raise and appropriate the sum not to exceed \$9,600.00 (Nine thousand six hundred dollars) and to authorize the selectmen to withdraw the funds from the Office Equipment Capital Reserve Fund for the purpose of purchasing a complete computer program for the police department. Recommended by the Selectmen. Recommended by the Budget Committee.
13. To see if the Town will vote to raise and appropriate the sum not to exceed \$10,000 (Ten thousand dollars) for purchasing a new computer system for the town clerk's Office. The sum not to exceed \$10,000 to be withdrawn from the Office Equipment Capital Reserve Fund. Recommended by the Selectmen. Recommended by the Budget Committee.
14. To see if the Town will vote to raise and appropriate the sum not to exceed \$5,000 (Five thousand dollars) for the purpose of renovations to the tank and body of the fire department forestry vehicle. Money to be raised in the following manner: \$3,000 (Three thousand dollars) to be withdrawn from the Forestry Vehicle Capital Reserve Fund, and the \$2,000 (Two thousand dollars) to be raised by current year taxes. (The money raised by taxes will be reimbursed by a Volunteer Fire Assistance Grant, which has already been approved.) Recommended by the Selectmen. Recommended by the Budget Committee.
15. To see if the Town will vote to raise and appropriate the sum not to exceed \$20,000 (Twenty thousand dollars) to be added to the Rescue Truck Capital Reserve, and to authorize the Selectmen to withdraw such funds not to exceed \$35,000 (Thirty-five thousand dollars) from the Rescue Truck Capital Reserve Fund for the purchase of a heavy rescue truck. Recommended by the Selectmen. Recommended by the Budget Committee.

The purpose of this article is to provide funding for the Town's portion of a 2002 Federal Fire Act Grant for the purchase of a new heavy rescue truck, if the federal grant is approved. This Federal Grant is a 90/10 matching grant. The estimated cost of a new heavy rescue truck is \$350,000 and the Town's matching portion would be approximately \$35,000.

16. To see if the Town will vote to raise and appropriate \$2,500 (Two thousand five hundred dollars) for the purpose of road side clean-up along the town roads. These funds to be paid to the 8th grade class of Chichester Central School for organizing and conducting the cleanup. By petition. Recommended by the Selectmen. Recommended by the Budget Committee.
17. To transact any other business that may legally come before said meeting.

Given under our hands and seals this 19th day of February, in the year of our Lord Two thousand two.

If you have a line item of appropriations from more than one warrant article, please use the space below to identify the make-up of the line total for the ensuing year.

Acct. #	Warr. Art. #	Amount	Acct. #	Warr. Art. #	Amount

"SPECIAL WARRANT ARTICLES"

Special warrant articles are defined in RSA 32:3, VI, as appropriations 1) in petitioned warrant articles; 2) appropriations raised by bonds or notes; 3) appropriation to a separate fund created pursuant to law, such as capital reserve funds or trust funds; 4) an appropriation designated on the warrant as a special article or as a nonlapsing or nontransferable article.

INDEPENDENT AUDITOR'S REPORT

To the Members of the
Board of Selectmen
Town of Chichester
Chichester, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Chichester as of and for the year ended December 31, 2001 as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with accounting principles generally accepted in the United States of America. As is the case with most municipal entities in the State of New Hampshire, the Town of Chichester has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Chichester as of December 31, 2001, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Town of Chichester taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Chichester. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

**CHICHESTER POLICE DEPARTMENT
2001 ANNUAL REPORT**

CHIEF

Ann Emerson

SERGEANT

John Martell

CORPORAL

Patrick Clarke

PART TIME PATROLMAN

Joseph Orlando

Dick LaFramboise

Mark Loomis

Frank Chmielecki

This year was a big year for the department. Many changes have been made and with the growing of the town we anticipate many more to come.

Patrick Clarke became our firearms instructor after attending a 5-day program at Police Standards and Training. Given all the duties that Patrick has taken on we have promoted him to Corporal.

In June we hired Dick LaFramboise, a retired Deputy Sheriff, who resides in our neighboring town of Epsom with his wife Lori. In September we hired Mark Loomis, a dispatcher for Merrimack County Sheriffs Office, who resides in Pembroke with his wife Sara and their daughter Mckaylee. In November we Frank Chmielecki, a man of all trades with an extensive background in the United States armed forces. Frank currently resides in Gilmanton. Frank and Mark will be attending the part-time Police Academy in January and February of 2002.

In August we sponsored a Kid ID day at Frekey's Dairy Freeze. With help from the Fire Department and Frekey's, we fingerprinted and photographed approximately 225 local kids. We rented an inflatable fun house for the kids, we had pony rides, and we gave out toys. This year we hope to make it bigger and better. The department also entered the 911 Demolition Derby for the first year. Joey did an excellent job driving for the 30 seconds we were in the derby until the car caught on fire and he had to bail out. We are planning on participating in the derby again this year and hope to last a little longer. Our thanks goes out to all the businesses' who showed their support and helped with donations of food, drink, and money for these events.

This year we are asking for a Police Administrative computer program that will standardize and create a database to keep records of all types, from motor vehicle accidents to criminal cases. This program will allow us to keep more accurate records and allow us to access these records with the click of a mouse either at the station or in the cruiser.

We are making the final payment on the 2000 cruiser and are looking to replace the 1998 cruiser. The 1998 cruiser has about 100,000 miles, and has a lot of older outdated equipment. We have realized the need for a vehicle that is multi-purpose and are requesting to enter into a 3-year lease purchase of a 2002 Ford Explorer this year. Given some of our back roads and hills we have a lot of problems in the winter and the spring muddy seasons going from call to call. Your support for this request would be greatly appreciated.

In the near future, we foresee a need for a new Police Station. We have run out of room in the basement of the fire station. We have found ourselves piling boxes on top of boxes. We put some older case files at the town hall in the storage room, but Judy is in the same boat as us with space. We have started to discuss the idea of having a municipal building that would house the town clerk, tax collector and the police department. A floor plan has been designed with input from all parties involved. We invite anyone who has not seen our station to stop by. We try to keep an officer at the station between the hours of 10 and 11am and 7 and 8pm. These hours are pending on emergency call Monday-Friday.

The end of the year brought a big change. Ann Emerson retired after 15 years of service as Chief of Police. Ann came into the Department many years ago and brought it where it is today. Patrick took over as our first full time Police Chief on December 31.

Attached is a monthly chart that describes a brief summary of 2001 police department activities.

Again we would like to thank the towns people for there support, and we look forward to serving you in 2002.

Respectfully,

Chichester Police Department

Evelyn Pike

EVELYN PIKE
TOWN CLERK

PARKS AND RECREATION COMMISSION

TOWN REPORT FOR YEAR 2001

The Parks and Recreation Commission kept very busy last year planning, scheduling and completing several major improvements to Carpenter Park. Of course the most obvious change (stunning to many) was the opening up of the area between the parking lot and the ball fields by removing many trees, excavating and leveling the large earthen mound separating the two areas. This significant change provided the Park with several benefits, most noticeably creating more useable grass area for events such as Old Home Day, adding more open space for “playground” activities for young children and the opening up of an area for the construction of a permanent pavilion at the Park.

The second major improvement to the Park was the construction of the new 25 ft. by 50 ft. pavilion. Tepper Contractors completed the construction just in time for last year’s Old Home Day and, as shown in the picture on the cover of the Town Report, the pavilion was used and enjoyed by many townspeople during Old Home Day festivities. It should be noted, and appreciated by all, that the construction of the pavilion was made possible only through a large financial contribution given to the Town by the family and friends of Pauline Cote-Losey in her remembrance. Pauline had lived in Chichester for a number of years and had served as a Chichester Trustee and as a member of the Planning Board. It is hoped that many people, groups and organizations will use the pavilion in the future as an activity “center” for their event or gathering, and enjoy at the same time, all the other facilities at the Park.

Also last year, new dugouts were constructed at the lower baseball field through a joint effort of the Parks and Recreation Commission and the Chichester Youth Association. The dugouts are “first class” and throughout the course of last year’s baseball/softball season many of the coaches and players, from surrounding towns coming to play league games at Carpenter Park, commented on how great Chichester’s park facilities have become.

Several other improvements were either completed, or have been started and will be completed in the coming year. A new deck was constructed onto the front of the “snack shack” to replace the old and dangerous step arrangement which had become a liability for children and adults alike using the snack shack. The large playground set that had been bought several years ago through donations and money raised buy the Chichester Athletic Committee has finally been brought to the Park out of storage and is about 80% assembled. It will be completed in the spring. And finally, materials have been purchased and plans are all made for the construction of a new sign for the Park to replace the present sign out on Rt. 28. This will also be completed this coming spring.

For the coming year the Parks and Recreation Commission is planning to continue with several other improvements to Carpenter Park, which will include, (1) The repair of the backstop and installation of “out of bounds” fencing on the lower baseball/softball field to both protect spectators and to facilitate better playing conditions for the baseball/softball teams, (2) The construction of a soccer “kicking wall” to be used by the soccer league for instructional purposes and for practice, (3) The installation of electrical outlets and lights at the pavilion, (4) The construction of a small addition to the “snack shack”, (5) Minor repairs to the “log cabin” building which is used for storage for athletic and park equipment and, (6) Completion of landscaping around the Pavilion, newly opened grass area and the new playground. Many of these improvements will be accomplished with the generous help of numerous volunteers donating their time, as has been the practice in the past, with only the materials for projects supplied through funds provided by the Parks and Recreation Capital Reserve Account.

The Commission members would like to thank the Townspeople for their support of our endeavors to upgrade and enhance our public recreation facilities at Carpenter Park. It is our goal to create and manage a multi-use facility at Carpenter Park where Townspeople of all ages can go to enjoy a multiple of outdoor activities. The Commission will also be working to identify the need for additional park and recreational facilities at other locations within the Town to better serve the community.

CHICHESTER HIGHWAY DEPARTMENT
BEAR HILL ROAD
798-4964

It was a long winter year with lots of snow. The crew did an excellent job of keeping up with the storms. FEMA reimbursed some of the cost of the big storms we had in March. It was about \$1500.00.

We also picked up some new roads to plow and maintain, last winter and this year. We picked up Marden Farms, Malachy Glen and Ferrin Road all the way through.

With the coming of Spring last year which brings mud season. Turned out to be not bad. We had a few spots that were muddy but dried up fast.

We got most of the summer of the summer projects done with the exception of getting Horse Corner paved but we did get all the trees cut and it is pretty much ready. The paving company couldn't get to it until late November or first of December, so we decided to wait until spring when the road was warmed up.

This year we hope to do the whole length of Horse Corner Road. We did get King road paved all the way. We did get Ferrin Road widened and graveled and hope to get the crushed gravel on it this year. But, we have been plowing it all the way through.

The roadside mowing went well this year. We rented a big mower and got a lot of the roads cut back much further. And we did get some brush cutting done and hope to get a lot more done this year.

The new Town Shed was completed this fall. It makes nice it things brake at 2 in the morning to bring it inside to fix it and to have bathroom facilities is nice too.

This year we hope to get Horse Corner Road paved and some of Center Road. Do some ditching and put some more gravel on the dirt roads and so some more brush cutting and our regular maintenance will continue.

If there are any questions or problems, feel free to contact the Highway Department at number above.

Chichester Highway Department

AS ANOTHER YEAR COMES TO AN END I AM PLEASED TO REPORT THAT THE PLANNING BOARD HAS BEEN WORKING DELIGENTLY ON YOUR BEHALF.

THE BOARD IS BRINGING A ZONING CHANGE TO THE VOTERS THIS YEAR, WHICH ALLOWS CLUSTER ZONING IN THE COMMERCIAL ZONE ONLY. THIS CHANGE WOULD ALLOW THE TOWN TO MAXIMISE DEVELOPMENT IN THE COMMERCIAL ZONE AND THEREBY MAXIMISE TAX INCOME TO THE TOWN.

THIS YEAR WE ARE REWORKING THE TOWNS MASTER PLAN (BE SURE TO RETURN YOUR SURVEY WHEN IT ARRIVES IN THE MAIL), THE CAPITAL IMPROVEMENT PLAN AND RECALCULATING THE IMPACT FEE SCHEDULE WITH THE HELP OF THE CENTRAL N.H. REGIONAL PLANNING COMMISSION. THEY HAVE PROVED TO BE AN EXCELLENT RESOURCE FOR THE TOWN AND WELL WORTH THE COST OF MEMBERSHIP – WE SHOULD BE SURE TO CONTINUE OUR MEMBERSHIP. THE BOARD WILL ALSO LOOK AT THE ELDERLY HOUSING ISSUE AS WELL AS THE ISSUE OF FLOOD INSURANCE.

ON BEHALF OF THE BOARD I WOULD LIKE TO THANK YOU ALL FOR YOUR CONTINUED SUPPORT.

RESPECTFULLY SUBMITTED,

TRACY SCOTT, CHAIRMAN

Chichester Fire-Rescue

As I prepare this report to the Town of Chichester, I find myself looking back and reflecting on the events of the past year. The oath that we take as fire service members dictates that we take risk to ourselves to save the lives of others, and at times we give up our own lives. The rescue workers in New York have given their lives in service to others. There is no greater calling. We will continue to live our lives and to serve our community. This tragedy that has befallen our nation has yet to unfold completely. There are still thousands of people missing and feared dead. To the families of those lost we say this: we are with you and your loved ones in our hearts, in our thoughts, and in our prayers.

President Bush, in his State of the Union address, called for each and every one of us to give of ourselves to the nation and our communities. The members of the Chichester Fire-Rescue have already answered this call. The citizens of Chichester have a small group of highly dedicated people who train and practice to be ready to answer their call for help. And when the call does come, these members are there to respond and handle whatever the emergency may be. And yes, they are willing to take great risk to save a life. I want to tell you how proud I am to be associated with the members of the Chichester Fire-Rescue, and am amazed at how they continue to make personal sacrifices of their time and energy to help others. I invite any interested citizens to join us in this call for service by becoming a member of the Chichester Fire-Rescue.

This year the Chichester Fire-Rescue is asking the Town to fund something we are calling Volunteer Reimbursement-Emergency Calls. The time commitment of the Fire-Rescue is growing greater, and fewer citizens seem to have enough time to be able to commit to serving the town through the Fire/Emergency Service. Most of the area departments already have a similar program in place. It is my hope that this small stipend will allow department members to be able to make the sacrifice of service and not have this service impact their personal/family life in a negative way.

There have been many positive changes this past year that have affected the Chichester Fire-Rescue. Our resident student program has been a marvelous success. We currently have three Fire-Science students who are enrolled at the Laconia NH Technical College. These students have been an asset to the department and bring with them enthusiasm and eagerness that is contagious. A new ambulance was placed in full service in 2001 and has allowed us to provide an increased level of patient care and safety. Mr. John Rymes donated a used ambulance to the Chichester Fire-Rescue last year. The unit has been a good addition to the fleet of apparatus, serving as a back-up truck and responding to several incidents that required more than one ambulance. The Chichester Firefighter's Association and the Chichester Police Department joined Frekey's Ice Cream for a Child ID Day that was a huge success. We were able to photograph and fingerprint hundreds of local children. Frekey's provided ice cream and entertainment for the day. Fire Prevention Week activities at the local schools and preschools during the month of October have brought increased fire safety to our children and community. There were many other events that members participated in during the year that are too numerous to list in this letter. I want to thank everyone for their participation in all of the Department events.

We were able to participate in a cardiac defibrillator grant that was sponsored by Concord Hospital. This defibrillator has the capability of sending a 12-lead EKG to the hospital by fax and has the potential of improving cardiac care for our patients. The grant covered \$7500.00 of the overall cost of the system, and we were able to find an excellent refurbished defibrillator for \$8500.00, leaving only a \$1000.00 balance, which we were able to fund from the existing ambulance budget. Thank you Concord Hospital.

In closing, let me say that our grief as a nation runs deep. And our solidarity as a nation runs deeper. Our strength as a community and as a nation will be called upon to overcome the tragedy of New York and Washington DC. We will overcome it, for we must. May the bonds we feel with those who have lost, serve to strengthen us as a whole. **God Bless America and God Bless All the People of America.**

John D. Prickett, Chief

ANNUAL REPORT OF THE TOWN OF CHICHESTER

The Concord Regional Visiting Nurse Association (CRVNA) continues to offer comprehensive health services to the residents of Chichester. The following is a description of these services:

Home Care services respond to the health care needs of those patients with acute or chronic illnesses that require skilled professional and para-professional care so they may return to or remain in their homes. Emphasis is on promoting independence and maximum functioning of the patient within the least restrictive setting. Patients who receive services range from children who have a complex medical condition to frail elders who require supportive assistance to stay in their own homes.

Hospice services provide professional and para-professional services to the terminally ill patient with a limited life expectancy. The goal is to enhance the quality of the patient's remaining life by helping he/she remain at home in comfort and dignity. Emphasis is on pain and symptom management and skilled intervention to meet the patient's special physical, emotional and spiritual needs.

CRVNA's Hospice House provides residential care to terminally ill patients who have no primary caregiver or need a supported residential setting. Often times patients are transferred into the Hospice House when a caregiver is exhausted and unable to care for them at home any longer. To date, this house has provided a home to approximately 500 terminally ill residents.

Community Health services include health education, health maintenance and preventive health services. The program includes preventive care, adult and senior health, child health, Baby's First Homecoming, immunizations for all ages, supportive services to school districts parent education and support, health education and nutritional counseling.

Community Health includes health promotion services which focus on the low and marginal income families and individuals to prevent illness by professional assessment and screening for health risks and needs, by early intervention to prevent, eliminate, or minimize the impact of illness and/or disability, and by anticipatory guidance and health teaching. Emphasis is on promoting healthy children, families and individuals through early intervention and health teaching. Services rendered in the clinic setting are: child health, adult screening, and immunizations. Home visits are made in crisis situations or when needed health care cannot be given in the clinic. Senior health services are provided at congregate housing sites.

Over the past two years Senior Health Clinics have expanded to reach out to seniors who may required a monthly check by a nurse of their blood sugar, blood pressure, and/or diabetes management. The expansion of these services was in response to the decrease in Medicare services to seniors.

Professional and para-professional hourly home services are provided on a private fee-for-service basis. Health education and instruction are part of each home visit or clinic visit.

Anyone in Chichester may request service; patient, doctor, health facility, pastor, friend or neighbor. The nurse who completes an assessment will coordinate with the patient's physician a plan of care to meet the patient's specific needs. If the patient does not have a physician the nurse will assist the patient to identify one and schedule a visit. The agency has developed a program with the NH-Dartmouth Family Practice Residency Program to coordinate a house call visit by a resident to a frail elder's home who is unable to leave his/her home.

A call to Concord Regional Visiting Nurse Association (1-800-924-8620) is all that is necessary to start services or make inquiries. The CRVNA office is open Monday through Friday from 7:30am to 5:00pm. A nurse is on call twenty-four hours a day. The On-Call Nurse can be reached by calling 1-800-924-8620.

Federal regulations specify a charge is applicable to all visits. Fees are scaled for the individual without health insurance and/or who is unable to pay the full charge. However, to fee scale, federal regulations require a financial statement be completed by the patient or responsible person. The community health services are provided to residents often times free of charge. Town monies subsidize those visits that are scaled or that no fee is collectible.

This agency is certified as a Medicare/Medicaid Provider, licensed by the State of New Hampshire, accredited by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO) with commendation and is a member agency of the United Way of Merrimack County.

The University of New Hampshire, Cooperative Extension is your local link to practical, research-based education to people of all ages, helping them make informed decisions that strengthen youth, families, and communities, sustain natural resources, forests, wildlife and agriculture, and improve the economy.

Merrimack County residents benefit from a wide range of Extension offerings, which include 4-H and youth development programs, monitoring water quality in lakes and rivers, reducing the use of pesticides, parenting programs, land use management, food safety, forest stewardship, family finances, meeting the needs of low income families, strengthening our communities and developing a strong volunteer base while providing a wide range of information to citizens. Extension also offers the public an outreach hotline with a toll-free Family, Home & Garden Info Line, staffed Monday through Friday, 9am to 2pm (1-877-398-4769) and it handled a total of 1,198 requests from Merrimack County residents.

Extension staff provide education to forest landowners, food producers and plant growers that help keep their enterprises profitable, thus preserving open space and protecting natural resources. Many studies show that open space helps keep property taxes low, as it places few demands on taxpayers for services. Extension also provides assistance to town planners and boards on zoning issues related to marketing from roadside stands, garden centers, pick-your-own operations, and best management practices fro the production of agricultural crops and livestock.

A major statewide Extension initiative, Strengthening New Hampshire Communities, has impacted Merrimack County. Extension staff have worked with the communities in a variety of ways. Several Merrimack County towns have participated in Extension's exciting *Community Profile* process. This past Fall a Community Profile was completed in Hooksett. A Community Profile is a tool to help community members create a vision about what they want their community to be like, and then forms action groups to reach those goals. In addition Cooperative Extension provides publication notebooks for all town libraries. The Extension currently provides weekly radio spots on WKXL which offer information to the communities throughout the County. Extension information can also be obtained from the Web at ceinfo.unh.edu. Follow-up support is available from UNH Cooperative Extension staff.

Other community efforts include after school programs, teen assessment projects, wellness teams, town office visits, the Master Gardener program, working with town officials to make sure local ordinances are "agriculture-friendly" and assisting schools with maintenance of athletic fields and landscaped areas.

The staff in Merrimack County includes nine Extension educators, two state specialists and three support staff. Educators reach approximately one of every four families in the county.

**SUMMARY OF SERVICES 2001
PROVIDED TO
CHICHESTER RESIDENTS
BY THE CONCORD AREA CENTER
COMMUNITY ACTION PROGRAM
BELKNAP-MERRIMACK COUNTIES, INC.**

SERVICE DESCRIPTION	UNITS OF SERVICE	HOUSEHOLDS/PERSONS	VALUE
COMMODITY SUPPLEMENTAL FOOD PROGRAM is a nutrition program that offers participants free nutritious foods to supplement their daily diet. The program serves children under six years of age, women during pregnancy and up to 12 months after the birth of their baby. Value \$22.00 per unit. *(An individual may not be enrolled in both the WIC Program and CSFP but a family may have members on both programs.)	PACKAGES-87	PERSONS-7	\$ 1,914.00
CONGREGATE MEALS- All elders are welcome to our congregate meal sites/ Senior Centers for nutritious hot meals, social/recreational activities and special events. Value \$6.43 per meal.	MEALS-1028	PERSONS-9	\$ 6,610.04
FUEL ASSISTANCE is available to income eligible households to help with energy costs during the prime heating season. Priority is given to the elderly and disabled. The average benefit for the 2000-01 program was \$645.00.	APPLICATIONS-35	PERSONS-74	\$ 21,316.00
MEALS-ON-WHEELS provides the delivery of nutritionally balanced hot meals to homebound elderly or adult residents five days per week. Value \$6.43 per meal.	MEALS-293	PERSONS-6	\$ 1,883.99
WOMEN, INFANTS AND CHILDREN provides specific food to supplement daily diet of pregnant or nursing women as well as children under five. Participants receive medical/nutritional screening, counseling and education. Value includes value of vouchers and clinical services at \$41.10 per unit.	VOUCHERS-238	PERSONS-20	\$ 9,782.00
WEATHERIZATION improves the energy efficiency of income eligible households. Supplemental program also includes furnace replacement, water heater replacement and roof repair. Value includes average material and labor.	HOMES-1	PERSONS-1	\$499.00
USDA COMMODITY SURPLUS foods are now distributed directly to local food pantries and kitchens on a quarterly basis. These pantries and soup kitchens service all in need, not just town residents.	CASES-74		\$ 1,416.34
GRAND TOTAL			\$ 43,421.37

INFORMATION AND REFERRAL-CAP provides utility, landlord/tenant, legal and health counseling as well as referrals for housing, transportation and other life concerns. These support/advocacy services are not tracked.

A Message from the District Committee

The Committee has avoided increasing taxes for the upcoming year, 2002. Having said this, an explanation is required, as payments by the towns have changed. The District agreement between the four towns requires that taxes be apportioned between the towns based on population. During 2000, the Federal Government conducted a census, with the results becoming available in mid 2001. The District's 2002 budget was the first year to apply the new population figures. The table below contains the relevant trivia as to the population growth of each of the four towns, and its impact on the share of District taxes each town pays.

Town	1990 Census	2000 Census	10 Year Growth	2002 Rate	2002 Apportionment	Increase (Decrease)
Barnstead	3,100	3,886	25.35%	27.6122%	160,198.79	15,841.02
Chichester	1,942	2,236	15.13%	15.8875%	92,178.20	606.62
Epsom	3,591	4,021	11.97%	28.5704%	165,764.11	(3,786.04)
Pittsfield	3,701	3,931	6.21%	27.9309%	162,053.89	(12,661.60)
Totals	12,334	14,074	14.10%	100.0000%	580,194.99	-0-

2001 was a challenging year on the revenue side of the budget. While the Committee expected some lowering of prices paid for recyclables, the drop was extreme from the beginning of the year to the end. 2002 recycling revenues don't look much better.

While lower revenues would normally require adjustments to taxes or expenditures for 2002, a couple of benefits have accrued to the District which avoid the necessity for any net changes. First, the Committee's capital improvement plan, coupled with the new building, has finally reduced maintenance expenditures to a manageable level. In addition, the public has improved their separation efforts, which has held down disposal costs. Installation of scales has proven a much more accurate and fair way of charging for demolition as reflected by many positive comments and an increase in disposal revenue.

Comments from the public are always welcome. The District Committee meets the last Thursday of each month and the District facility at 7:00 PM. The Public is welcome.

Tonnage Comparisons	1999	2000	2001

Chichester Town Library

The 1999 Town report spoke of our intention of sending out a town-wide survey. This was accomplished in the early summer of 2000. We are grateful to the large number of residents who responded to the survey.

A few of the facts gleaned from the survey;

Many residents do not know the hours of operation of the library and were unable to comment on them. (We should have included the operating hours in the survey.) We will be exploring other means of publicizing the hours in the future.

The wording of the survey left the impression that use of the library was declining. (Use of the library is actually increasing.)

A slight change in the afternoon hours would make it more convenient for some to visit the library.

A number of residents had misunderstandings, requests, complaints and suggestions. Many included their names and phone numbers and we are in the process of following up on them.

The trustees and the librarian, all of whom are resident taxpayers, are determined to provide the Town of Chichester with the most service for the least amount of money. To that end, our plan is to improve services and to maintain and improve the condition of the building within the confines of the annual budget. No large capital improvements are planned at this time or in the foreseeable future.

We are grateful for the opportunity to serve you. We hope to continue to earn your support and to that end, request that you communicate any shortcomings, improvements, or ideas to us in person, over the phone, or in writing. We **will** consider all suggestions, especially when they contain constructive criticism.

For the trustees;

Harold Arey, Librarian

Trustees: Margaret Haskett
Carolee Davison
Patricia Hauck

CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

Established in accordance with state law, the Central New Hampshire Regional Planning Commission (CNHRPC) is a voluntary association of 20 towns in Merrimack and Hillsborough Counties and the City of Concord. The Town of Chichester is a member in good standing of the Commission.

The Commission's mission is to improve, through education, training, and planning assistance, the ability of the municipalities of the region to prepare and implement municipal plans; to prepare a plan for effective and appropriate development and utilization of the resources of the region; and to assist municipalities in carrying out the regional plan.

The Commission provides a variety of planning services, including consultations on planning issues; planning research; the development of sample ordinances, regulations, and other planning projects such as local master plans, capital improvement programs and corridor studies; circuit rider planner assistance; the compilation of local and regional demographic information; review and comment on planning documents; development review; and educational programs.

In 2001 the Central New Hampshire Regional Planning Commission undertook the following local and regional planning activities:

- Provided general local planning assistance to member municipalities and responded to inquiries regarding zoning ordinance, subdivision regulation, and site plan review regulation revisions. Prepared calendar and narrative describing critical dates in preparation for Town Meeting 2002.
- Held four meetings of the CNHRPC Regional Resource Conservation Committee (R2C2), which seeks to bring representatives of each of the region's communities together to work on conservation issues that affect the overall region.
- Completed and distributed the Guide to a Municipal Open Space Trail System Plan.
- Completed the update of the FY 2003-2012 CNHRPC Transportation Improvement Program (TIP).
- Conducted approximately 240 traffic counts throughout the region.
- Organized and hosted five meetings of the CNHRPC Transportation Advisory Committee (TAC).
- Provided assistance to municipalities, groups and interested individuals regarding the Transportation Enhancements (TE) and Congestion Mitigation and Air Quality (CMAQ) programs.
- Provided assistance to local communities in the development of Land and Community Heritage Investment Program (LCHIP) proposals.
- Continued work on the update of the CNHRPC Regional Transportation Plan and preparation of the Regional Multi-Use Trail Plan.
- Provided continuing technical assistance to the Upper Merrimack River Local Advisory Committee (UMRLAC) and the Contoocook and North Branch Rivers Local Advisory Committee (CNBRLAC).
- Completed the update of the CNHRPC Regional Bicycle and Pedestrian Plan and the draft Regional Open Space Plan.
- Provided assistance to CNHRPC member and non-member towns regarding National Flood Insurance Program (NFIP) participation and compliance.

For additional information, please contact the CNHRPC staff or your representatives to the Commission, Tracey Scott or Stanley Brehm, or see us on the internet at www.cnhrpc.org

TOWN OF CHICHESTER

BUILDING INSPECTOR

Tel. No. 798-4350

Annual Report Of Building Official

The 2001 Permit activity showed a decline over the 2000 level from thirty-one (31) to twenty-nine (29) Single Family Permits. Following is a four (4) year comparison.

15 in 1998	45 in 1999	31 in 2000	29 in 2001
------------	------------	------------	------------

In 2000 there were a grand total of 86 varied Building Permits issued. The breakdown is as follows:

29	Single Family Dwellings	9	Dwelling Additions
9	Dwelling Renovations	18	Garages, Barns, Sheds
1	Commercial Building	2	Commercial Additions
1	Mobile Homes	17	Other (Pools, Siding, Fencing)

There were other inspections done which were not related to permits issued for this year or other previously issued permits.

Building Permit Forms are available in the lobby of the Town Offices or by contacting the Building Inspector. Acquiring a blank Building Permit Form prior

Annual Report Of Building Official – Continued

To contacting the Building Inspector assures that you will come ready with the required information. A building Permit cannot be issued for a new family home or new commercial construction without an approved waste disposal “septic” system from the State of New Hampshire Water Supply and Pollution Control Division and a driveway design approval from the Town Road Agent.

The Town’s current Building Codes are the current BOCA Building and Fire Prevention codes, the 1988 Life Safety Code (a copy is available for review at the Town Library). State law also requires that all new structures as well as structures which are being improved to more than 50% of their assessed value be in compliance with the NH State Energy code. The addition of bed or bathrooms may also require your septic system to be reviewed.

The Building Inspector is available almost any time; if you have any questions regarding work being done or you need an inspection do not hesitate to call. If hiring contractors you should not hesitate to check their credentials or references.

There is currently an Impact Fee required in some categories. A copy of the Impact Fee Schedule is available at the Town Office or may be requested from the Building Inspector by calling (603) 798-4350. Further information can be obtained by searching the web for the Town of Chichester, NH at www.chichesternh.com.

Respectfully submitted,

J. David Paveglio

Town of Chichester Cemetery Trustees

The cemetery trustees have seen a real change in what used to be a pretty simple and routine office that consumed little time. In the fall of 2000 the budget committee trimmed \$850 off the 2001 budget. (The trustees did not notice this until early summer.) In early April, Alan Clark (no longer a trustee) was notified Green Hands would no longer mow the cemeteries. The reason became apparent when we were unable to get the two town cemeteries mowed for less than two and one-half times the price Green Hands was charging us. Compounding the problem was some especially fast growing grass in May and a very short time from snow melt to Memorial Day.

A tour of nineteen town cemeteries revealed a lot of other concerns and revealed the existence of a previously unknown two grave cemetery in the Hussey District. Any plans to address any of these other concerns quickly disappeared when the price increase and budget shortfall were discovered. (Even though some of this money is in a trust fund and the town is reimbursed it cannot be spent unless it is in the voter approved budget.)

The trustees decided to concentrate the available funds on the two town cemeteries. Gilbert Vien mowed a few of the private cemeteries with his own equipment at no cost to the town when he could spare the time. Jeff Jordan kept French Cemetery mowed and his family "adopted" Merrill Cemetery. Knowlton Cemetery was mowed once with town funds and after that Alan Mayville Sr. and Deborah Jordan did what they could to keep it up. One of the trustees worked with the road agent to clean up the road side of Knowlton and Griffin Cemeteries. Alan Clark mowed Bathelder Cemetery several times.

Research revealed a warrant article passed in 1981 authorizing the trustees to declare some of the private cemeteries "abandoned" and the expenditure of \$1000 to clean them up.

The result of all this is a 2002 budget request of \$15,500 (compared to a 2001 budget of \$5300).

Trustees;

Joanna McIntosh
Gilbert Vien
Harold Arey

**MINUTES OF THE CHICHESTER SCHOOL DISTRICT MEETING
MARCH 10, 2001**

The annual meeting of the Chichester School District was called to order by Moderator Peter Marsh at 10:15 A.M. on March 10, 2001 at the Chichester Central School Multi-Purpose room. Due to the weather, at that time there were only about 30 people in attendance but eventually approximately 60 people were present.

Introductions were made as follows:

School Board Members--

Paul Twomey, Chairman

Mary Castelli

John Poirier

School Administrative Unit #53 Assistant Superintendent--

David Dziura

Chichester Central School Principal:

Pamela Stiles

Chichester School District Clerk:

Gloria Nardini

Moderator Marsh asked for a moment of silence and then all stood for the Pledge of Allegiance. He briefly went over the rules that would be in effect for past School Meetings and asked that articles would automatically come to the floor after action on the former article had been finished. The meeting began with S. MacCleery making a motion to accept these rules and N. Fraher seconded the motion. The motion was passed by a voice vote.

Article 1: TO HEAR THE REPORTS OF AGENTS, AUDITORS, COMMITTEES, OR OFFICERS CHOSEN, AND TO PASS ANY VOTE RELATING THERETO.

S. MacCleery made a motion and H. MacCleery seconded this motion to accept the article as written.

MOTION PASSED VOICE VOTE

Article 2: TO SEE IF THE SCHOOL DISTRICT SHALL ACCEPT THE PROVISIONS OF RSA 195-A (AS AMENDED) PROVIDING FOR THE RENEWAL OF AN A.R.E.A. SCHOOL LOCATED IN PEMBROKE TO SERVE STUDENTS IN GRADES 9-12 FROM THE SCHOOL DISTRICTS OF ALLENSTOWN, CHICHESTER AND EPSOM, IN ACCORDANCE WITH THE PROVISIONS OF

THE PLAN ON FILE WITH THE DISTRICT CLERK AND CONTINGENT UPON THE APPROVAL OF THE STATE BOARD OF EDUCATION.

[NOTE – This article asks whether voters wish to modify the existing A.R.E.A. Agreement with Pembroke Academy. The most significant change would affect governance of the Academy by providing that “all decisions relating to the curriculum, governance, staffing and operation of Pembroke Academy shall be made by a majority vote of a committee of eight members, consisting of five members of the Pembroke School Board and one member of each sending district. This committee will be responsible for preparing a proposed annual budget for submission to the Municipal Budget Committee of Pembroke, or to such other body as the citizens of Pembroke may delegate final authority on budgetary matters.” Other changes nullify the exclusion of certain Epsom students and bring the Agreement into compliance with current statute.]

Majority ballot vote require

P. Twomey discussed the background of the Chichester School District’s relation with Pembroke Academy and explained that although our children attend the high school, Chichester has no voice in the operation of the school. It was asked if there were other high school options for Chichester’s students. Mr. Twomey said that although other choices had been looked into; Pembroke was the best choice available to the town. G. Andrews read a list of recent accomplishments of Pembroke Academy and expressed her opinion that the Academy had improved greatly in the last few years.

Since this Article required a ballot vote and the polls needed to be opened for an hour; it was agreed by a sense of the meeting to have a short break and then to continue with other matters while the voting took place. The voting began at 10:30 A.M. and closed at 11:30 A.M. with the votes being counted then.

ARTICLE 2 RESULTS:

51 votes cast

50 yes 1 no

ARTICLE 2 PASSES BY BALLOT VOTE

Article 3: TO SEE IF THE DISTRICT WILL VOTE TO APPROVE THE COST ITEMS SET FORTH IN THE COLLECTIVE BARGAINING AGREEMENT REACHED BETWEEN THE CHICHESTER SCHOOL BOARD AND THE CHICHESTER EDUCATION ASSOCIATION FOR THE 2001/02, 2002/03 AND 2003/04 FISCAL YEARS WHICH CALLS FOR THE FOLLOWING INCREASE IN SALARIES AND BENEFITS:

2001/02	\$64,047
---------	----------

2002/03	\$53,287
2003/04	\$51,737

AND FURTHER TO RAISE AND APPROPRIATE THE SUM OF \$64,047 FOR THE 2001/02 YEAR, SUCH SUM REPRESENTING THE ADDITIONAL COSTS ATTRIBUTABLE TO THE INCREASE IN SALARIES AND BENEFITS AGREED TO BY THE CHICHESTER SCHOOL BOARD AND THE CHICHESTER EDUCATIONAL ASSOCIATION.

Chairman Twomey explained that the additional increase for the 2001/02 year was in the adjustment of upper level step increases, which the Board felt was necessary for retaining teachers in a time of teacher shortages. He was asked if the structure could be revised if there were later problems in retaining teachers and Mr. Twomey explained that it could be reopened if both sides agreed. The question was called and B. Brown motioned to accept the article as written. This was seconded by H. Barker.

MOTION PASSED VOICE VOTE

Article 4: TO SEE IF THE DISTRICT WILL VOTE OR RAISE AND APPROPRIATE FROM SURPLUS, THE SUM OF UP TO FORTY-SEVEN THOUSAND (\$47,000.00) DOLLARS TO BE TRANSFERRED FROM THE MUNICIPAL GENERAL FUND AND TO BE ADDED TO THE CHICHESTER SCHOOL DISTRICT BUILDING PLANNING, RENOVATION, MAINTENANCE AND CONSTRUCTION TRUST FUND PREVIOUSLY ESTABLISHED. THE TRUST WAS ESTABLISHED FOR THE PURPOSE OF REPAIRING, RENOVATING AND MAINTAINING EXISTING SCHOOL BUILDINGS, CONSTRUCTING ADDITIONS, OR SUPPORTING FACILITY PLANNING AND DESIGN COST.

[NOTE – Funding for this Article is contingent upon the action of voters on the Warrant Article at the March 17, 2001 Chichester Town Meeting pertaining to the dispersion of funds due in part to the school district following the Marden Farm development project, and upon the town's receipt of other development impact fees during fiscal year 2001.]

M. Castelli explained that the wording of this article was “up to \$47,000” since at this time it was not known how much the town would appropriate to the School District; so the meeting needed to vote to accept that much even though it might be less.

After discussion about the possibilities of, if this money would be available and how much the District would get of these funds, the question was called. R. Mann motioned to accept the Warrant as written; this was seconded by S. MacCleery.

MOTION PASSED VOICE VOTE

Article 5: TO SEE IF THE DISTRICT WILL VOTE TO RAISE AND APPROPRIATE UP TO FORTY-ONE THOUSAND (\$41,000) DOLLARS FOR THE PURPOSE OF REPLACING THE FLOOR IN THE CHICHESTER CENTRAL SCHOOL MULTI-PURPOSE ROOM.

Ms. Castelli continued with a discussion of the problem of the floor of the Multi-Purpose Room including the history of this problem and why the School Board had determined that this should be the year that it is finally resolved. She showed how the Board came up with the amount of \$41,000. The estimate for this job is \$120,000. There is currently \$40,000 in the Building Trust Fund, the Board considers that \$41,000 is a reasonable amount to expect from the Town (see above Article) and with a contingency of \$2,000 built in; the District would need to raise \$41,000 to have sufficient funds. There was much discussion about the cost of the job, if this was the proper way to finally get the floor fixed, about other things that could possibly be done and even about the working of the Article itself. N. Fraher asked to bring the motion to the floor. K. Ruoff seconded this motion. N. Fraher motioned to accept the Article as written. K. Ruoff seconded this motion.

MOTION PASSED VOICE VOTE

Article 6: TO SEE IF THE DISTRICT WILL VOTE TO CREATE AN EXPENDABLE GENERAL TRUST FUND UNDER THE PROVISIONS OF RSA 198:20-C, TO BE KNOWN AS THE TECHNOLOGY REPLACEMENT TRUST FUND, FOR THE PURPOSE OF REPLACING UNUSABLE AND/OR OUTDATED TECHNOLOGY EQUIPMENT AND SOFTWARE IN THE DISTRICT'S SCHOOLS AND FURTHER TO RAISE AND APPROPRIATE FROM SURPLUS AND TO AUTHORIZE THE USE/TRANSFER OF UP TO THREE THOUSAND EIGHT HUNDRED (\$3,800.00) DOLLARS FROM THE JUNE 30, 2001 FUND BALANCE FOR THIS PURPOSE, AND TO DESIGNATE THE SCHOOL BOARD AS AGENTS TO EXPEND.

J. Poirier stated the Board's desire to put monies from any possible surpluses that might occur into this trust. A motion was made to allow J. Hall a current 8th Grader in the Chichester School to speak although he is not a registered voter. This motion was made by B. Brown and seconded by S. MacCleery. This was passed by a voice vote. He spoke about the needs of the middle school classes in the school to have access to faster computers and faster Internet capability. After further discussion D. Hall motioned that the Article be accepted as written. P. Whiddon seconded this motion.

MOTION PASSED VOICE VOTE

Article 7: TO SEE WHAT SUM OF MONEY THE DISTRICT WILL RAISE AND APPROPRIATE FOR THE SUPPORT OF SCHOOLS, FOR THE PAYMENT OF SALARIES AND BENEFITS FOR SCHOOL DISTRICT OFFICIALS AND AGENTS AND FOR THE PAYMENT OF STATUTORY OBLIGATIONS OF THE DISTRICT, INCLUSIVE OF ALL FUNDS APPROPRIATED IN PREVIOUS ARTICLES ON THIS WARRANT.

P. Twomey gave an overview of the budge, showing major increases and decreases and explaining the Administrative Initiatives that the Board had incorporated into the Budget. There was discussion about the Higher Order Thinking Program; many people not being in favor of the initiative as proposed. However, since there was agreement that there is a need for such a program, the monies allocated for this program were left in the Budget and it was suggested that a committee be formed to find means to develop a program that might be more favorable. N. Fraher motioned to accept the budget of three million, three hundred thirty-seven thousand, eight hundred two (\$3,337,802.00) dollars as proposed. F. Fenton seconded this motion.

MOTION PASSES 49 FOR 0 AGAINST BY SHOW OF HANDS

Article 8: TO CHOOSE AGENTS AND COMMITTEES IN RELATION TO ANY SUBJECTS EMBRACED IN THE WARRANT.

A motion was made by S. MacCleery and seconded by J. West to pass over Article 8 until March 13, 2001 at 10:00 A.M.

MOTION PASSED VOICE VOTE

Article 9: TO TRANSACT OTHER BUSINESS THAT MAY LEGALLY COME BEFORE SAID MEETING.

The Board did ask for a committee to be formed to study the Higher Order Thinking Program. M. Castelli thanked P. Twomey for his six years of service on the School Board. This was acknowledged by all present. H. Barker moved that the meeting be adjourned and K. Ruoff seconded this motion. The meeting was adjourned at approximately 1:10 P.M.

MOTION PASSED VOICE VOTE

March 13, 2001

The polls were opened at 10:00 A.M. by Town Moderator Douglas Hall for the purpose of voting.

The polls were closed at 7:00 P.M. and ballots were counted with the following results:

SCHOOL BOARD	Benjamin Brown	3 years
CLERK	Gloria Nardini	1 year
MODERATOR	Peter Marsh	1 year
TREASURER	Evelyn Pike	1 year

The Chichester School District meeting officially closed 8:45 P.M., March 13, 2001.

Respectfully submitted by,
Gloria Nardini, Clerk
Chichester School District

THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN OF CHICHESTER,
QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Chichester Central School in said District on the 9th day of March, 2002 at 10:00 o'clock in the morning to act upon the following subjects:

1. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and to pass any vote relating thereto.

2. To see if the District will vote to raise and appropriate up to the sum of one million six hundred thousand (\$1,600,000.00) dollars for the purpose of constructing, furnishing and equipping a new addition to and the renovation of the Chichester Central School. One million six hundred thousand (\$1,600,000.00) dollars of such sum to be raised through the issuance of bonds or notes under and in compliance with the Municipal Finance Act (RSA Ch. 33:1 et seq.) as amended: to authorize the School Board to apply for, obtain and accept Federal, State, or other aid, if any, which may be available for said project, and to authorize the School Board to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the School Board to take any other action or to pass any other vote relative thereto.

*School Board recommends approval
(Ballot vote and 2/3 majority required)*

3. To see if the District will vote to raise and appropriate from surplus, the sum of up to three thousand (\$3,000) dollars to be added to the Technology Replacement Trust fund previously established, and to authorize the use/transfer of up to three thousand (\$3,000) dollars from the June 30, 2002 fund balance for this purpose. The trust was established for the purpose of replacing unusable and/or outdated technology equipment and software in the District's schools.

School Board recommends approval

4. To see if the District will vote to raise and appropriate from surplus, the sum of up to ten thousand (\$10,000) dollars to be added to the Special Education Trust Fund previously established, and to authorize the use/transfer of up to ten thousand (\$10,000) dollars from the June 30, 2002 fund balance for this purpose. The trust was established for the purposes of meeting the District's lawful obligation to its special education students.

School Board recommends approval

5. To see what sum of money the District will raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents and for the payment of statutory obligations of the District, inclusive of all funds appropriated in previous articles on this Warrant.

School Board recommends approval

6. To choose Agents and Committees in relation to any subjects embraced in the Warrant.

7. To transact other business that may legally come before said meeting.

Given under our hands and seal this 19th day of February, 2002.

Mary Castelli, Chair
Benjamin Brown
John Poirier
CHICHESTER SCHOOL BOARD

CHICHESTER SCHOOL DISTRICT WARRANT

THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN OF CHICHESTER,
QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Grange Hall in said District on the 12th day of March, 2002 at 10:00 in the forenoon, to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.

The polls are to open at 10:00 A.M. and will close not earlier than 7:00 P.M.

All other School District business to be conducted at the regular School District meeting as otherwise posted.

Given under our hands at said Chichester this 19th day of February, 2002.

**REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL
REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

December 8, 2001

The School Board
Chichester School District
Chichester, New Hampshire 03234

I have audited the general purpose financial statements of the Chichester School District as of and for the year ended June 30, 2001, and have issued my report thereon dated December 8, 2001. I conducted my audit in accordance with generally accepted auditing standards and Government Auditing Standards, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Chichester School District's financial statements are free of material misstatements, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, non-compliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of non-compliance.

Internal Control Over Financial Reporting

In planning and performing my audit, I obtained understanding of the Chichester School District's internal control over financial reporting in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control over financial reporting. My consideration of the internal control over financial reporting would not necessary disclose all matters in the internal control over financially reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one of more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. I noted no matters involving the internal control over financial reporting and its operation that I consider to be material weaknesses.

This report is intended for the information of the Audit Committee, management, and federal awarding agencies, pass through entities. However this report is a matter of public record and its distribution is not limited.

I extend my thanks to the officials and employees of the Chichester School District for their assistance during the course of my audit.

Brent W. Washburn, CPA

Appendix on Internal Controls

This is an Appendix to the December 8, 2001 Chichester School District report on internal controls and compliance based on an audit performed in accordance with Government Auditing Standards. The following are items that came to my attention during the audit regarding the design and operations of internal controls and compliance with laws, regulations, and other provisions of contracts and grants:

1. Inventory of Fixed Assets

Criteria: Inventory of fixed assets represents a significant control tool in monitoring the School District assets and is essential to prepare reliable financial statements.

Condition: The School District does not have a schedule of assets controlled by the School District. Schedules of assets purchased by federal grants has been maintained. The School District would need to implement the new reporting model for years beginning after June 15, 2003 as required by the Governmental Accounting and Financial Reporting Standards: Statement 34 – Basic Financial Statements and management's Discussion and Analysis for State and Local Governments. This new model requires fixed assets to be included although it would not require retroactive infrastructure reporting.

Cause: The normal practice of governmental units in New Hampshire has been to expense the fixed asset as purchase, and not to maintain any detail schedule of assets in use.

Recommendation: The District cause an inventory of these assets as soon as practical. The existence of fixed asset records will not only aid district officials in their control of these assets, but should be an invaluable tool in long range planning. General accepted accounting principles require fixed asset reporting as part of the general purpose financial statements and the audit opinion is being qualified due to the omission of this schedule.

Management Response: Initial physical inventory of assets accomplished in November 2000 by American Appraisal Associates. Currently in process of updating database with changes which have occurred since the physical inventory.

2. Treasurer Reports

Criteria: The Treasurer's Monthly Reports are the control between administrators and the School Board.

Condition: The Treasurer's Monthly Reports cash balances do not agree with the bank reconciliation balances; not all the transactions occurring in a particular month appear on the same month on the Treasurer's Monthly Reports; and in one month the accumulation balance total was carried forward to the next month at a different number.

Recommendation: Care should be taken to include the transactions on the appropriate monthly report; and the bank reconciliation's should be reconciled to the balance on the monthly reports.

Management Response: School Board to meet and review Investment Policy with Treasurer.

REPORT OF THE SCHOOL BOARD

Faced with the demands of social change and population growth, the Chichester School District has continued to progress on a number of fronts, while struggling to meet other needs.

Under the leadership of our capable principal, Pam Stiles, the school completed its critique and revision of all curriculum areas. With the completion this year of the review of social studies curriculum and the unified arts of music, art and physical education, all subjects are now aligned with the State Department of Education frameworks. As part of the new social studies curriculum and to help foster a work ethic, eighth graders are now required to provide community service. This year's eighth graders have contributed to Chichester and the larger community in various ways ranging from raking leaves for a neighbor, to assisting coaches of younger CCS athletes, to responding to the horror of the September 11th terrorist attacks by collecting supplies and writing letters of support and appreciation to rescue workers. Spanish is offered through grades 1-8. Daily Spanish instruction in grades 7 and 8 allows qualified students to jump-start their foreign language education at the high school by entering at a Spanish two level. In the music program, the addition of Orff instruments allows students to engage in hands-on instruction in melody and the language of music through the use of xylophones and percussion instruments.

The school has continued to strive to maximize the educational opportunities for all its students. This past fall, the school began, in a modest way, to implement a program designed to enhance higher order and critical thinking skills of all students in grades K-8 and to better meet the needs of gifted and talented students. At the same time, the school actively sought to respond more effectively to its at risk students. During the year, the school worked with the Pembroke Academy and A.R.E.A. Board to develop a coordinated dropout intervention program that addresses the special concerns of these students at both the high school and middle school level. An excellent step forward was made with this effort through Chichester's application for and receipt of a special grant called ABC – Activities that Build Confidence- from the State Department of Education. This grant funds a program that identifies at risk students in grades 6 through 9. A three prong approach is then used to involve the students in special activities; to work with parents to improve school to home communications through regular parent workshops; and to better meet the needs of these students in the classroom through enhancing the curriculum with materials.

Our staff continues to be our greatest asset. Chichester is fortunate to have a dedicated group of professionals who manage to foster the best of small town personal attention, while continually seeking to make CCS the best place possible. To develop this important asset, the administration and the Board have focused on staff training and development over the past several years using funds from special grants to carry out this important work. This year, Chichester completed its third year of Goals 2000 funding, which among other things, paid for teacher training in reading strategies and writing across the curriculum. Grades 1-4 started a 4-block program designed to manage the consistent use of language art skills through guided reading, phonics, literature circles and writing. Additionally, through the Goals 2000 grant, the University of New Hampshire offered on-site graduate courses at no cost to staff, focusing on classroom technique.

The community has also supported the school, contributing over 1,600 hours of volunteer time and earning, yet again, the Blue Ribbon School Achievement Award for its excellent volunteer program.

The school confronted its long-standing problem with its multi-purpose room floor, by replacing it with a high quality floor, complete with a drainage system and two vapor barriers to prevent recurrence of the moisture problem. The floor came in under budget and was completed with an attractive floor decal painted on it by parent David Hartley.

In spite of these gains, significant challenges face the school as well, particularly related to problems of increased student enrollment and limited facilities.

As the population has increased, the school has experienced significant increased special education needs. While these expenditures are mandated by law, the school has taken what steps it can to address these concerns. The Board, together with other SAU school district has met with Representative Charles Bass to express its concern and to seek increased federal funding, as was originally intended with this federal legislation some 30 years ago. Additionally, the Board has written to Senator Greg to voice our concern when he retreated from supporting increased federal funding for this major expense.

Over the past six years, fueled by spikes in new housing, the school has grown by 19%. This has pushed grades from one into two classrooms. Last year, the school was forced to place one of its fourth grades into a rented portable classroom, tax dollars that represent a yearly loss. In the coming year, without a building addition, the school would need to pay for the installation and rent of another portable classroom, a waste of yet more tax dollars. To address these concerns, the School Board established a Space Needs Committee to analyze and make recommendations about the physical plant. This study committee has made recommendation that cover the need for classroom and office space, adequate parking facilities and a water treatment program that eliminates a costly and limited program that currently spends \$10,000 per year on bottled water. As the school has grown, the numbers of students served by the specialists have increased, while space has grown more strained. The Spanish teacher, a special education teacher and the speech therapist share one small space. While the occupational therapist, physical therapist, guidance counselor and a school psychologist are crowded into another small room. The nurse's office is inadequate to care for more than one child at a time, having only one bed. If more than two children come to the office, as happens at times, some children have to be put in the corridor. The nurse's bathroom is not handicapped accessible. The nurse must leave the nurse's office and any who might need and intrude upon the kindergarten for the use of its handicapped accessible bathroom. Additionally, the music program is currently relegated to a crowded area on the stage in the acoustically limited gym or multi-purpose room. The cost of not addressing these needs will certainly be greater not only in the long term, but in the short term as well. The citizens of Chichester have shown their past resolve to make these important and cost effective investments.

Mary Castelli, Chair
Chichester School Board

SUPERINTENDENT OF SCHOOLS REPORT

There is considerable interest and controversy throughout our nation regarding the topic of high-stakes assessment. It is a widely-held belief that education will improve and educators will be held more accountable if students are frequently given national or state-wide standardized tests. The results of these tests, proponents say, should be relied upon to determine how effective schools and teachers are, what the best curriculum is, how funding should be allocated and which students graduate. Given the importance of decisions which might be made based upon the results of such testing, it is easy to see why the concept has been christened "high stakes."

Recently I came across a short article in an educational publication which I thought presented a humorous yet insightful look at the validity of high stakes testing as a means of assessing educational success. It is entitled *The Best Dentist* and was authored by John Taylor, Superintendent of the Lancaster County (Pennsylvania) School District. I hope it gives you a chuckle as well as some food for thought.

My dentist is great! He sends me reminders so I don't forget checkups. He uses the latest techniques based on research. He never hurts me, and I've got all my teeth, so when I ran into him the other day, I was eager to see if he'd heard about the new state program. I knew he'd think it was great.

"Did you hear about the new state program to measure the effectiveness of dentists in treating their young patients?" I said. "No," he said. "How will they do that?" "It's quite simple," I answered. "They will just count the number of cavities each patient has at age 10, 14, and 18 and average that to determine a dentist's rating. Dentists will be rated as Excellent, Good, Average, Below Average and Unsatisfactory. That way parents will know which are the best dentists. It will also encourage the less effective dentists to get better. Poor dentists who don't improve could lose their licenses to practice." "That's terrible," he said.

"What? That's not a good attitude," I responded. "Don't you think we should try to improve children's dental health in this state?" "Sure I do," he said, "but that's not a fair way to determine who is practicing good dentistry." "Why not?" I asked. "It makes perfect sense to me." "Well, it's so obvious," he said, "don't you see that dentists don't all work with the same clientele; so much depends on things we can't control. For example, many of the patients I work with don't see me until there is some kind of problem and I don't get to do much preventive work. Also, some of the parents I serve let their kids eat way too much candy from an early age. To top it all off," he added, "many of my clients have well water which is untreated and has no fluoride in it. Do you have any idea how much difference early use of fluoride can make?"

"It sounds like you're making excuses," I said. I couldn't believe my dentist would be so defensive! "I am not!" he said. "My best patients are as good as anyone's, my work is as good as anyone's, but my average cavity count is going

to be higher than a lot of other dentists because I chose to work where I am needed most. In a system like this, I will end up being rated average, below average, or worse. Some patients who see these ratings may believe this so-called rating actually is a measure of my ability and proficiency as a dentist. They may leave me, and I'll be left with only the most needy or indifferent patients. And my cavity average score will get even worse. On top of that, how will I attract good dental hygienists and other excellent dentists to my practice if it is labeled below average?"

"I think you are overreacting," I said. "Complaining, excuse-making and stonewalling won't improve dental health...I am quoting a leading member of the DOC," I noted. "What's the DOC?" he asked. "It's the Dental Oversight Committee," I answered, "a group made up of mostly laypersons to make sure dentistry in this state gets improved." "I can't believe this! Reasonable people won't buy it," he said hopefully.

"How else would you measure good dentistry?" I asked. "Come watch me work," he said. "Observe my processes." "That's too complicated and time consuming," I said. "Cavities are the bottom line, and you can't argue with the bottom line. It's an absolute measure." "That's what I'm afraid my parents and prospective patients will think," he responded despairingly. "This can't be happening." "Now, now," I said "don't despair. The state will help you if you are rated poorly; they'll send a dentist who is rated excellent to help straighten you out." "You mean," he said, "they'll send a dentist with a totally different clientele to show me how to work on severe dental problems with which I have probably had much more experience? Big help!"

"There you go again," I said. "You aren't acting professionally at all." "You don't get it," he shouted. "Doing this would be like grading schools and teachers with an average score on a test of children's progress without regard to influences outside the school, like the home, social issues, the community served. Why would they do something so unfair to dentists? No one would ever think of doing that to schools." I just shook my head sadly. "I'm going to write my representatives and senator," he said. "I'll use the school analogy-surely they will see the point."

Respectfully submitted,

Thomas Haley
Superintendent of Schools

PRINCIPAL'S REPORT

Chichester Central School is an exciting place to be these days! We are improving curriculum, broadening student leadership opportunities, implementing new programs, addressing facility needs, bringing in community members to work with students, and enjoying children on a daily basis. On Wednesday, August 29, 285 children started the school year. Along with the 23 new students, we also welcomed new staff. Tara Brosius was added to the middle school teaching staff; Meredith Labrenay, Tina Berube and Mary Jane Colbert joined the ranks of the educational assistants. The new positions were all as a result of an increased population. Community members were able to meet our new staff members at the "welcome back bar-b-cue" sponsored by the P.T.O.

The staff has worked tirelessly to align the school's curriculum with state standards. We now have all areas – English Language Arts, math, science, social studies, unified arts – in line with the State Frameworks. A new initiative that was supported by our Goals 2000 grant, focuses on language arts. Four-Blocks is a system by which students receive 4 components of language arts – guided reading, working with words, writing and self-selected reading – on a daily basis. Using books about social studies or science provides for strong integration of subject areas. The new social studies curriculum has received an overhaul and now includes geography, history, economics, and civics and government, making for a well-rounded, meaningful course of study. Eighth grade students are required to perform ten hours of independent community service to give back to a community, which has so consistently given to them. As part of the regular curriculum, students are active as reading buddies, in the science fair, the circus, and 8th grade environmental camp. Students also are enjoying Spanish in grades 1-8 and DARE in grade 6.

Individual student learning continues to be a high priority. Each student in grades 2-5 has an individual student plan so that learning styles and strengths can be determined and focused upon. The Higher Order Thinking Program was started in the fall to help teachers design lessons that will raise the bar of excellence for all students. Mrs. Derosier and Mrs. Audet are working with students as they create a new school newspaper; activities designed around higher order thinking are being implemented in the classroom. The school also takes pride in the number of optional activities students can take advantage of: poetry night, geography bee, FIRST Lego, band drama, student council, homework club and the school store. This year the school was awarded a grant for \$42,126 to address the needs of at-risk students. The ABC (Activities that Build Confidence) program" ties the student, parent and school together in a common mission of working for student improvement.

The enrichment committee has offered quality assemblies for the student body. Curious Creatures brought a whole array of interesting animals, Jay Cook and the African Ensemble motivated us to move and dance, Johnny Kelleher reminded our youngest students to be responsible, Dudley Laufman taught square dancing to 4th and 5th graders, 7th grade students enjoyed 3 days of Adventure Outpost building confidence and team work, Mrs. Dougherty invited the Concord Archery group to demonstrate during physical education classes, and the Hampstead Players shared their version of "Oliver" with the entire student body.

Our brand new gym floor was completed in early November – no more bubbles! Frank Lemay and Milestone worked throughout the summer, pulling up the slab, putting drainage and vapor barriers in and topped it with a beautiful looking taraflex sport floor. The students love playing on the new surface and we welcome all community members to come in and take a look at it. This summer we were able to replace some of the very old furniture (nearly 50 years old) in grades 1, 2 and 5. We also added a modular classroom to the school site which Miss Towle and her 4th grade class occupy. As our population continues to grow, we find less and less space in which to work. In three years the school population has grown 14%. A large area in the library has been dedicated to computers, limiting the numbers that can use that facility; children complete projects in the hallways; in some cases 3 to 4 staff members share the same office; and, parking spaces are at a premium. Education has changed over the years and adequate space is needed for cooperative learning, hands-on projects, and technology. The water problem still plagues us and we continue to look for solutions.

Community members have been most helpful this year. Darlene McIntosh, Mary Jane Ricker, Joe Gattuso, Lee Willette, Leslie Walker, Darlene Hemeon, have all taken an active role in the Jr. Achievement program. The P.T.O. has raised funds through the craft fair and book fair to benefit the school. Graduates came back to CCS to help us reflect on how well we prepared them for high school. Parent volunteers help our students with the WEE Deliver program, they work to beautify the grounds, they give time in the library and classrooms, and provide snacks for the after school YMCA program. Our volunteers continue to be recognized for outstanding service with the 'Blue Ribbon for Volunteerism' award.

The new teacher evaluation model that is being used this year keeps us all focused on teaching strategies. Professional development opportunities in writing, language arts, learning styles, technology use, and individualized instruction have been supported through the Goals 2000 grant and the regular budget. The \$49,500 Goals 2000 grant will come to an end in June, 2002. It has offered our school many opportunities in curriculum and instruction.

This fall was one of shocking news and a renewed spirit of patriotism. Our children did a remarkable job in sharing their best and warmest wishes to those immediately affected. We no longer say the Pledge of Allegiance without understanding the meaning or sing America the Beautiful without holding tight to its images. Our children took an active role in helping others in need – you should be very proud of them. I know that we are here at school.

Chichester Central School continues to encourage children to wonder and discover and work toward a goal. Thank you to everyone who impacts their lives and helps them achieve their dreams.

Respectfully submitted,
Pamela Stiles, Principal
Chichester Central School

**STATISTICAL REPORT
For the School Year Ending June 30, 2001**

Half Days in Session.....	360
Total Enrollment	291
Average Daily Membership.....	267.9
Percentage of Attendance.....	96.4

Class of 2001

Kaeleigh Barker	Haley Meher
Zach Collier	Kara Merrill
Ryanne Cushman	Alicia Muzzey
Jen Edmonds	Krystal Ordway
Ashley Gagne	Luke Ouellette
Jonathan Hall	Melissa Palmer
Jessica Jones	Tim Passmore
Amber Kamieniecki	AmySue Pike
Court Lesieur	Ben Ruoff
Morgan MacCleery	Heather Tepper
Jill Martell	Greg Wainwright
Tom Waterman	

CHICHESTER SCHOOL DISTRICT
SUMMARY REPORT
SPECIAL EDUCATION EXPENDITURES/REVENUES

In accordance with RSA 32:11-a, the following summary represents actual special education expenditures and offsetting revenues for the previous two fiscal years.

	<u>FY 1999/00</u>	<u>FY 2000/01</u>
Actual Expenditures	\$364,488	\$370,844
Actual Revenues		
♦ Catastrophic Aid	\$ 10,497	\$ 19,399
♦ Medicaid	19,745	21,556
♦ Federal Grant	<u>18,934</u>	<u>22,387</u>
Total Offsetting Revenues	\$ 49,176	\$ 63,342

- Notes:
- Actual expenditures represent a total of all designated special education budget categories. Services provided through regular education categories cannot be accurately segregated.
 - State Foundation Aid/Adequate Education Aid paid in both fiscal years above contained various weighted stipends for those students identified as having special needs. These cannot be accurately identified as a separate revenue category.
